IRIS
GARDENS

MRS. K. C. FARLEY

Medford, Oregon

Greetings . . . 1961

I want to thank all my iris friends and customers for making this year as pleasant as you did for me. It was a sad year, as I lost my husband in February of a heart attack. I felt I could not continue on. I had to cancel our plans for the Convention, however, I did visit the Gardens later on.

I shall try to attain a higher standard in the growing of better quality rhizomes and to please my customers and friends.

Sincerely yours,

KATHERINE FARLEY
